## ABOUT ROKA AKOR

---

---

The meaning of ROKA: “Ro” is a place to gather and enjoy a meal in a sociable, relaxed atmosphere. “Ka” is a burning fire or heat, projecting warm energy. ROKA AKOR restaurants bring the unparalleled combination of thoughtful design and contemporary Japanese robata cuisine under one roof, featuring prime-cut steaks, seafood, and sushi. The heart of the restaurant is our robata-style fair using an open, mesquite charcoal grill that features a plethora of dining options that are sure to satisfy anyone’s palate. Our tradition is to source the best seasonal and local ingredients and serve the product in its purest most natural form. With family-style service, the food will be served when and as it is ready and is meant to be shared among guests.

ROKA | BAR offers a wide variety of premium wine, liquor, sake, beer and shochu.
